

Bryant Wolfe

Bryant Wolfe is an Idaho native. He is a local business owner of Rocky Mountain Cleaning and Restoration and Firefighter/EMT for the City of Chubbuck Fire Department. His company has grown over 246% in the last 4 years and is a licensed EMT in the State of Idaho. He served as the Emergency Management Director for Nez Perce County/City of Lewiston and then as the Emergency Management Coordinator for the City of Dallas Department of Aviation. Bryant believes in doing things right the first time while being open, honest, and transparent with everyone. He understands the importance of collaboration between all levels of government and private sector partnerships. Bryant has served through 3 Presidential Disaster Declarations, including Air Operations Branch Director during Hurricane Harvey for North Central Texas. He loves the outdoors spending time skiing, hiking, mountain bike riding, hunting, camping, and enjoys all types of sporting/recreational activities.
